

Vocational Rehabilitation and Employment (Chapter 31) Tracking Report Instructions

Form Use:

The Chapter 31 Tracking Report is used to record information on veterans participating in the Department of Veterans Affairs' Chapter 31 program that are referred to Jobs for Veterans State Grant recipients for labor market information and/or employment services. The detailed information required is used to track the status of referred participants, referral and registration dates, and employment outcome information. The workbook consists of three worksheets: 1) Data Entry; 2) Report Data (auto-calculating); and 3) Contact Us.

Form Submission:

The form is submitted once per quarter for every Federal fiscal quarter. The following report period end dates will be used for this report: 12/31, 3/31, 6/30, and 9/30.

Public Burden Statement - According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1293-0009. The time required to complete this information collection is estimated to vary from 1-3 hours per response, with an average of 2 hours per response, including the time to review instructions, search existing data sources, gather the data needed, and complete and review the information collection. The obligation to respond is required to obtain or retain a benefit (38 USC 4102A(c)). If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Labor, Veterans' Employment and Training Service, 200 Constitution Avenue, N.W., Washington D.C. 20210.
